Terms Round trip

- A transfer from the airport to your hotel in Negombo is € 20. When a transfer is out of location from Negombo we add additional charges.
- You only pay € 80 per group (max of 5 passengers) per day, € 20 of the € 80 will be used directly to finance our water and sanitation projects. A daytrip has a maximum of 200 km and takes about 8 hours (if you wish to travel more km in a day it will cost 100 slr/km extra).
- Your trip will start in the Negombo area. In case you decide to end your trip anywhere else but the Negombo area/airport, there will be additional charges for the driver's trip back home.
- The price per day includes the services of the driver, usage of an AC-van and all fuel required for the round trip.
- Most of the hotels offer free accommodation for the driver to stay overnight. In case an hotel does not offer this accommodation, you are required to pay € 20 per night extra.
- After arriving in Sri Lanka, please pay 50% of the estimated cost before start of the first travel day, the other 50% is due at the end of the trip. You can either pay in Sri Lankan Rupees or in Euro's.
- You can find ATMs in every town. The total travel cost will be calculated with that date's conversion rate. Current conversion is € 1 = ± 350 slr.

In case you wish to make use of our services or you want further information, please send an email to Priyantha at kansarmensrilankafoundation@gmail.com and include this information:

- If you wish an airport transfer, we will need your flight details, otherwise we need the name and address of the hotel where you wish to start your trip, including the date and time you wish to be picked up.
- Please include the number of people that are going on the trip and also the name under which you are registered at your hotel (we like to eliminate any confusion).
- Also, let us know if you want to visit one of our project sites.
- Finally, we need the start and end date of your round trip.
